Landscape, Art, and Commercial Photography

Derrick Feole has 25 years experience as a professional photographer. His range of experience includes both Landscape Art and Commercial Photography. With experience in both the USA and Europe he has captured various scenes for over 80 companies including Swiss International Airlines, Biogen IDEC International, Laura Hammett Ltd, London, Residence One, London, UBS, and Siemens.

Derrick also works with the Franz Weber Foundation of Switzerland as their photographer for assignments in various locations in Switerland, and humanitarian assignments in Africa. His commercial photogrpahy includes: Hotels, Architecture, Real Estate, Wedding, Aerial, Product, Portraits, Events, and Band.

His commercial rates are competitive, with his main focus being on high quality from the first meeting with the client through delivery of the final product.

Derrick has also photographed, printed and sold hundreds of his own signature Limited Edition and Open Edition prints to many major compales and hundreds private individuals in Eurpope and the USA including large installations at major airlines lounges in Europe and the USA.

His specialty is Landscape Art photography with large format prints up to 4 feet by 10 feet in dimension. Derrick fully controls of the process of capture, editing, printing, delivery and installation of all of his images. In doing this, his images are completely proprietary with no third parties having any image files.

His art images display exceptionasl quality with many hours going into the perfect image and printing on the best medias and framing materials. Both Limited and Open Edition prints are prepared the same high quality with his personal signature. Exclusive limited editions are printed in a quantity of only 1, 3, or 5 prints and include a certificate and letter of Authenticity. Open Edition are not limited to quantity and are less expensive.

Derrick Feole will be the best choice for your photographic projects.
